

Data Dare #1 Contest

"Data Dare Contest" ("Contest") allows Customers to win a Samsung Galaxy S8 by downloading file using the phone's mobile data.

Eligibility

To be eligible for the contest the individual need to do the following:

1. Truthfully fill in the form that requests for name, mobile network, email and mobile phone number.
2. Download the file to completion
3. Confirm their mobile phone number on the download success page

This is open to anyone who is a Singapore resident (citizen, permanent resident or on a work visa) with a mobile phone account regardless of mobile network.

Duration

The Contest is valid from 12:00pm on 22 May 2017 to an unspecified date (Singapore Standard Time).

Rules

To win the Samsung Galaxy S8, all you need to do is be the 100th person to download the file that could be up to 2 GB in size on www.circles.life/datadare using their phone's mobile data while on your mobile phone. Using Wi-Fi on a fixed broadband line is not allowed. If there aren't 100 downloads on a given day, the winner will be the participant whose download will be the closest to the 100th download.

A participant must not download the file more than once on a given day.

A participant can only win the Data Dare #1 Contest once over the whole Contest period.

The name, mobile network, mobile phone number and email entered in the entering contest form must be true and owned by the participant. Any fake information could result in the entry getting disqualified by the Organizers (Circles.Life).

Prize and Redemption

Each winner will receive a Samsung Galaxy S8 and we'll contact them via their email address within 4 weeks from the date of participation to the contest.
