What I Love About Circles.Life Campaign

Participants will receive Bonus Data under the "What I Love About Circles.Life Campaign" ("Campaign") by posting a video on her/his Facebook and/or her/his Instagram account with the following mention "#NeverRunOutOfData

The Campaign is open to all Existing and Non-Customers.

Duration
The Campaign is valid from 00:00:00am on 01 June 2017 to 11:59:59pm on 30 June 2017 (Singapore Standard Time).

Rules
To win the prize, the following rules must be followed by the Participant

- The Participant must personally record and post a video on their Facebook and/or Instagram account
- The privacy setting for the shared video must be set as Public
- The length of the video must be greater than or equal to 15 seconds. The post must include the mention "#NeverRunOutOfData".

Prize and Redemption
Each winner will receive a unique promotion code which must be entered upon checkout at Circles.Life or entered through the Circles.Life app in order to redeem the offer.

Each promo code is unique and is valid until 31 July 2017, or as long as the Organisers (Circles.Life) deem fit.

Circles.Life retains the right to alter or modify or cancel the validity of individual codes or all codes at any time during the Campaign without obtaining any prior consent from the participants in the Campaign.

If a winner is a Non Customer, she/he will get an additional 1 GB /mo Bonus Data on her/his plan forever and a $20 discount on her/his registration fees if she/he purchases a plan by 31 July 2017 (23:59:59 Singapore Standard Time).

If a winner is an Existing Customer, she/he will get an additional 1 GB /mo Bonus Data on her/his plan forever if she/he redeems the offer by 31 July 2017 (23:59 Singapore Standard Time)..

Limitations
This promotion code cannot be used in conjunction with other promotion codes offered by Circles.Life – exceptions to this condition are entirely based upon the discretion of Circles.Life.

The promotional benefit of "additional 1 GB /mo" is valid as long as the Circles.Life subscription remains active.
